# *Homecoming a Dream Come True*

Dreaming — this year's homecoming theme. The school's spirit was built on the class competitions which were held during the week of Oct. 13-17. This spirit was shown at the game on Friday night which ended with a victory. The week's activities included dressing up as different characters such as cowboys, farmers and athletes. Each night there were different activities to attend. The classes competed in decorating and games. There was a bonfire Thursday night to build the spirit for Fridays game. The Homecoming Dance brought the homecoming week to an end.

# Spoon River a Spoonful of Success

The cast of "Spoon River Anthology" probably never thought they would get their play off of the ground, due to lack of time. Although with much persistence and very hard work, everyone pulled together to present the play on January 31 at 8:00 p.m. and February 1, at 2:00 a.m., 1981.

Spoon River Anthology was about a collection of poems by Edgar Lee Masters in which they reflected the lives, stories, and people of Spoon River. The characters ranged anywhere from an angry artist that hated Spoon River to, two misunderstood "ladies of the evening."

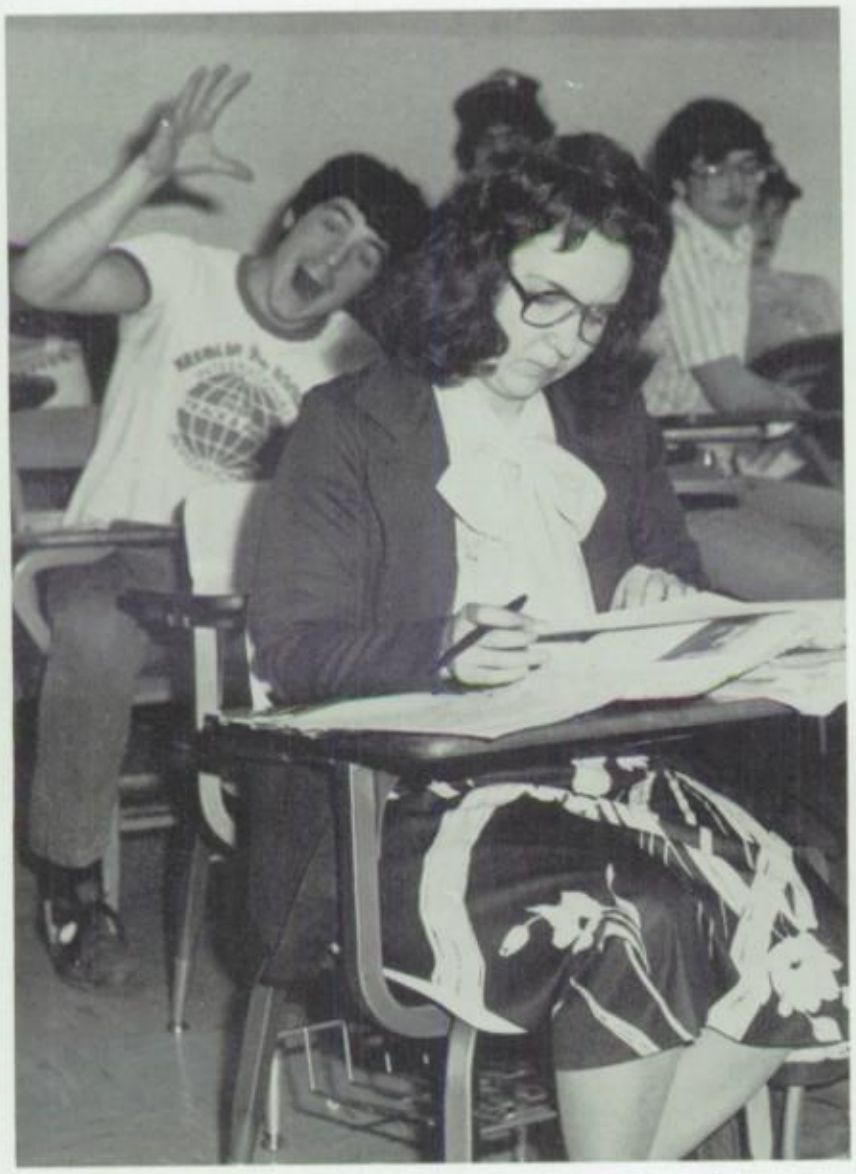
# Back to School Day

## Wednesday March 11, 1981

Back-to-school day was a special event planned in order to let parents experience a day in the life of their student. It helped them to become more informed as to what school is really like in this present day.

Approximately 90 parents attended school that day and described it as "fun," "great," "super," "excellent," and "exhausting." Parents, grandparents, aunts, and uncles followed the schedules of the students they replaced for the day. High school students were excused from attending classes, if they had an adult to take their place.

Most teachers and staff members felt the program was rewarding for all involved. Hopefully it will be continued again next year.



On Back-to-school day, parents also suffered the ridicule of class clowns, like Dan Scherger.

The pep club was formed a little late in the year, but it served a good purpose. Three buses were taken to Bowling Green for the game versus Napoleon. Everyone dressed in blue jeans, Raider t-shirts, and carried blue bandannas. It was an exciting time for all involved. Hopefully, the pep club will continue on in future years, so Lakota can have an organized cheering section for its dedicated teams.

# *Follow the "Stairway to Heaven"*

"Stairway to Heaven" was the theme of the 1981 Junior-Senior Prom held May 2. With prom preparations beginning early in the year, everything was in perfect order that night. With the dance beginning at 8 o'clock, the couples filled the floor as Live Wire played the latest tunes. Junior President, Beth Bowe crowned the king and queen, Gene Hoffman and Nancy Wonderly. It proved to be a successful evening, as many couples attended.

The Band has really worked hard this year and have come a long way since the first time they stepped onto a practice field together. This year the band went to band camp for the first time. It turned out to be a very rewarding experience. Not only did the band work hard at camp, but they also came early to school on Mondays and Wednesdays for practice. Boy, they sure do know how cold and dark it can be at 7:00 in the morning.

The band participated in the B.G.S.U. Band Day, Bluffton Homecoming Parade and Pregame Ceremony, Danbury-Lakeside Marching Band Festival and many other parades. The Band has also brought home many trophies this year.

# *Choir Makes Beautiful Music*

The Senior choir started their year immediately after school in August. Miss Thompson had 74 people enrolled in the choir. Each person auditioned for her in a private room and very few, if any, were asked to leave. This year was one of the best years ever for the choir. The public enjoyed sitting and listening to the choir at their concerts.

The choir performed several times throughout the year with their first concert just before Christmas. They then went on to tour the various schools for the younger youths enjoyment. A mid-year concert and a fine arts day was included in their year. Each year the choir also participates in a district competition, if they get a high rating there, they go on to state competition and are judged again.

# *Annual Staff*

A lot of time, effort, and dedication go into putting a yearbook together and getting it ready for publication. Many people think you must throw the pictures on the page and write a little copy, but they are leaving out a lot of very important steps.

Each page begins with a diagram of the layout. The pictures are then picked out and cropped to size. Each picture is then individually stamped and numbered for identification. Captions are written for each picture.

Now the copy must be written. The purpose of the copy is to give background information that will answer questions in the readers mind now and in the future. Also, a heading must be decided.

The page is now ready to be drawn up and typed on a quad-pak. This is the form the company uses to set up the page.

The purpose of the annual staff is to put out an annual that we can all be proud of and reminisce over in the years to come.

The F.F.A. had many projects throughout the year. The annual chicken barbecue was held on the first football game. Then in November, four members attended the National Convention, with Todd Hanes and Joe Podach representing our chapter in the national choir. Their money making projects included a citrus fruit sale and taking care of the school farm. Finally, to end the year the annual parent-member banquet was held to honor the members and to recognize award winners.

# S.C. Earns Honor Council

There were 17 out of 600 schools in the state of Ohio to earn the Honor Council Award. The Lakota S.C. was one of them, the first Lakota council ever to achieve this. This is an award earned by getting points for all activities and projects achieved by the council. Some of them included sponsoring a Homecoming and Valentine's Dance, a Christmas Banquet, Teacher Appreciation Day, and the Annual Workshop. They also purchased shrubs for the announcement board, a cabinet, foul poles for the baseball diamond, and paper for the computer.

# Determination Paces Raiders

The Varsity Football team posted an 8-2 record. It was their second best season and the first time they have had winning seasons back to back. They were 6-2 in the league, which placed them third. They had six shut outs, which is a new school record. Individual awards given were: 1st team all league offense — Al Wiseman (end), Gene Hoffman, (tackle), Marcelo Gonzalez (guard), Joe Overton (QB), 1st team defense — Al Wiseman (end), Larry Kreais (nose guard), Gene Hoffman (LB), Joe Overton (safety), 2nd team offense: Mike Vitte (running back), Honorable Mention — Tom Henry (center), Mark Smith (tackle), Mike Ickes (def. end), and Larry Ray (def. halfback). 3rd team all state defensive end — Al Wiseman. Special mention — Joe Overton, Marcelo Gonzalez, Gene Hoffman, Honorable Mention — Larry Kreais. Coaches Awards — Joe Overton — MVP, Gene Hoffman — Best Defensive Player, Joe Overton — Best Offensive Player, and Tom Henry — Coaches award. Thirteen seniors will graduate, and there will be 9 returning lettermen and a new coach because Coach Scherger resigned for personal reasons.

# Cross Country

The 1980 Cross Country season was one, in which the tradition of excellence was continued by both the boys and girls teams.

In dual meets the girls team was undefeated, while the boys lost only one out of 10. Three major meet championships, were won by the girls, including their second consecutive S.L.L. Championship. Injuries and illness took their toll on the girls but the team was still able to come through with fine performances. One major championship was won by the boys and they finished second in the S.L.L., despite a great deal of inexperience and also a rash of injuries. Much more was accomplished by them, than ever expected.

Perhaps, the best situation is that, although co-captains, Linda Naderer and Brenda Cessna, of the girls team, and Todd Harmon and Mike Gabel, of the boys team, will graduate, a large number of talented and experienced runners will return to make the prospects for the 1981 season especially exciting.

# *Golf*

Despite some team inconsistency, the 1980 fall golf team had one of its best seasons in its 10 year history. Compiling the schools second best dual match record ever of 17-6-1 the team showed they could play quality golf against any team. After a slow start in losing 3 of their first 4 matches the team put things together and played some outstanding golf, winning 16 of their last 20 matches. Highlighting these victories was defeating Eastwood at Eastwood for the first time ever. The team also had some outstanding individual accomplishments with seniors, Barry Hull and Dan Scherger, making 2nd team SLL honors and junior, Jack Gosche, tying for 2nd place in the tough North Baltimore Invitational.

# *All of Us Together*

The Varsity Volleyball team did not have a lot of experience but they did have a lot of dedication. Their team slogan was "All of us together." They finished 3-4 in the league and 6-11 overall. The Junior Varsity, coached by first year coach, Miss Stoudinger, finished 5-10 overall. Deb Baker was chosen to 1st team all league. The only other person in Lakota history to do so was Mandy Foster. Other league selections include Betsy Allen and Darlene Schroeder. They each received Honorable Mention. Coach Beaston feels that this is the highest quality group of ladies that have ever played volleyball at Lakota.

# First Year Coach Has Impressive Season

Much effort was put forth by the team which helped them to win the S.L.L. Championship and obviously a very good season. This aroused visions of winning the AA Championship in the minds of the Lakota Raider team and fans. The spirit was intense, and the team was confident. It was a tough road all the way! The Rockets (Oak Harbor) and the Redmen (Fostoria) proved to be hard to handle, but the Raiders fought their way on top to take the sectional championship. They then preceded to defeat Cardinal Stritch and Port Clinton to take the district championship. The next game was versus the Napoleon Wildcats. The mood was exciting, but the Raider team was overtaken by nervousness. The Napoleon Wildcats never let the Raiders get their game together. The vision disappeared with the loss during the regional tournament. Despite not winning the state championship, the Raiders had their most outstanding season ever. They were chosen as the outstanding "Team of the Year," with first year coach, Paul Gnepper, being chosen "Coach of the Year," and teammate, Terry 'Herkie' Hedge being chosen "Player of the Year." The Raider team will stay in the minds of everyone as a team to be proud of.

# *Positive Thinking Powers Raiders*

The Reserve team was headed by former freshman coach, Steve Lucius. Their season was a good one with a record of 13-7. They worked hard and consistent to prepare themselves for the Varsity spots in the future. The job done by Coach Lucius was very beneficial because it developed a number of guys into varsity material.

# Cheerleaders

The varsity and junior varsity cheerleading squads started their year by attending Bluffton College for Nation Wide Cheerleading camp this past summer. They spent four days working on pom-pom routines, chants, floor cheers, and how to keep the crowds spirit flowing.

This year's big project was selling mums. The cheerleaders took orders and delivered the mums on homecoming night.

Besides taking part at all the home and away games during football and basketball seasons the cheerleaders have many responsibilities. From the beginning of basketball season the cheerleaders make scrap books for all the varsity players. For every home football and basketball games the cheerleaders make a T-pee.

A PUBLIC SCHOOL IDYL

Ram it in, cram it in,
Children's heads are hollow;
Slam it in, jam it in,
Still there's more to follow —
Hygiene and history,
Astronomic mystery,
Algebra, histology,
Latin, etymology,
Botany, geometry,
Greek and trigonometry —
Ram it in, cram it in,
Children's heads are hollow.

Rub it in, club it in,
All there is of learning;
Punch it in, crunch it in,
Quench their childish yearning
For the field and grassy nook,
Meadow green and rippling brook;
Drive such wicked thoughts afar,
Teach the children that they are
But machines to cram it in,
Bang it in, slam it in —
That their heads are hollow.

Scold it in, mold it in,
All that they can swallow;
Fold it in, hold it in,
Still there's more to follow.
Faces pinched, sad and pale,
Tell the same undying tale —
Tell of moments robbed from sleep,
Meals untasted, studies deep,
Those who've passed the furnace through,
With aching brow, will tell to you
How the teacher crammed it in,
Rammed it in, punched it in,
Rubbed it in, clubbed it in,
Pressed it in, caressed it in,
Rapped it in and slapped it in,
When their heads were hollow.

# Study Hall and Phys. Ed.

Study Halls are elective courses for any student. They may schedule up to two a day. The activities during study hall include library time, individual or group study, and time to talk to the counselors. Study Hall also gives students a time to relax during their busy days.

Phys. Ed. is to make students aware of their bodies in the total environment. It helps them become more coordinated and physically fit. Phys. Ed. is required during a student's freshmen and sophomore year, after that it can be an elective course. The activities in Phys. Ed. range from gymnastics to weightlifting to golf and football plus many others.

# Home Ec. and Industrial Arts Dept.

Home economics offers Consumer Homemaking, Single Survival, Family Living, and Advanced Home Economics. Within these courses the basic skills needed to live in the real world are obtained. These include cooking, sewing, money management, and child care. This makes it easier for an individual to survive on their own. The Industrial Arts department is offered 3 years to our students. Some of the things learned are basic drafting techniques, equipment safety, woodworking processes, and metal working. The Industrial Arts department is basically designed to develop an insight and understanding of industry and its place in our culture.

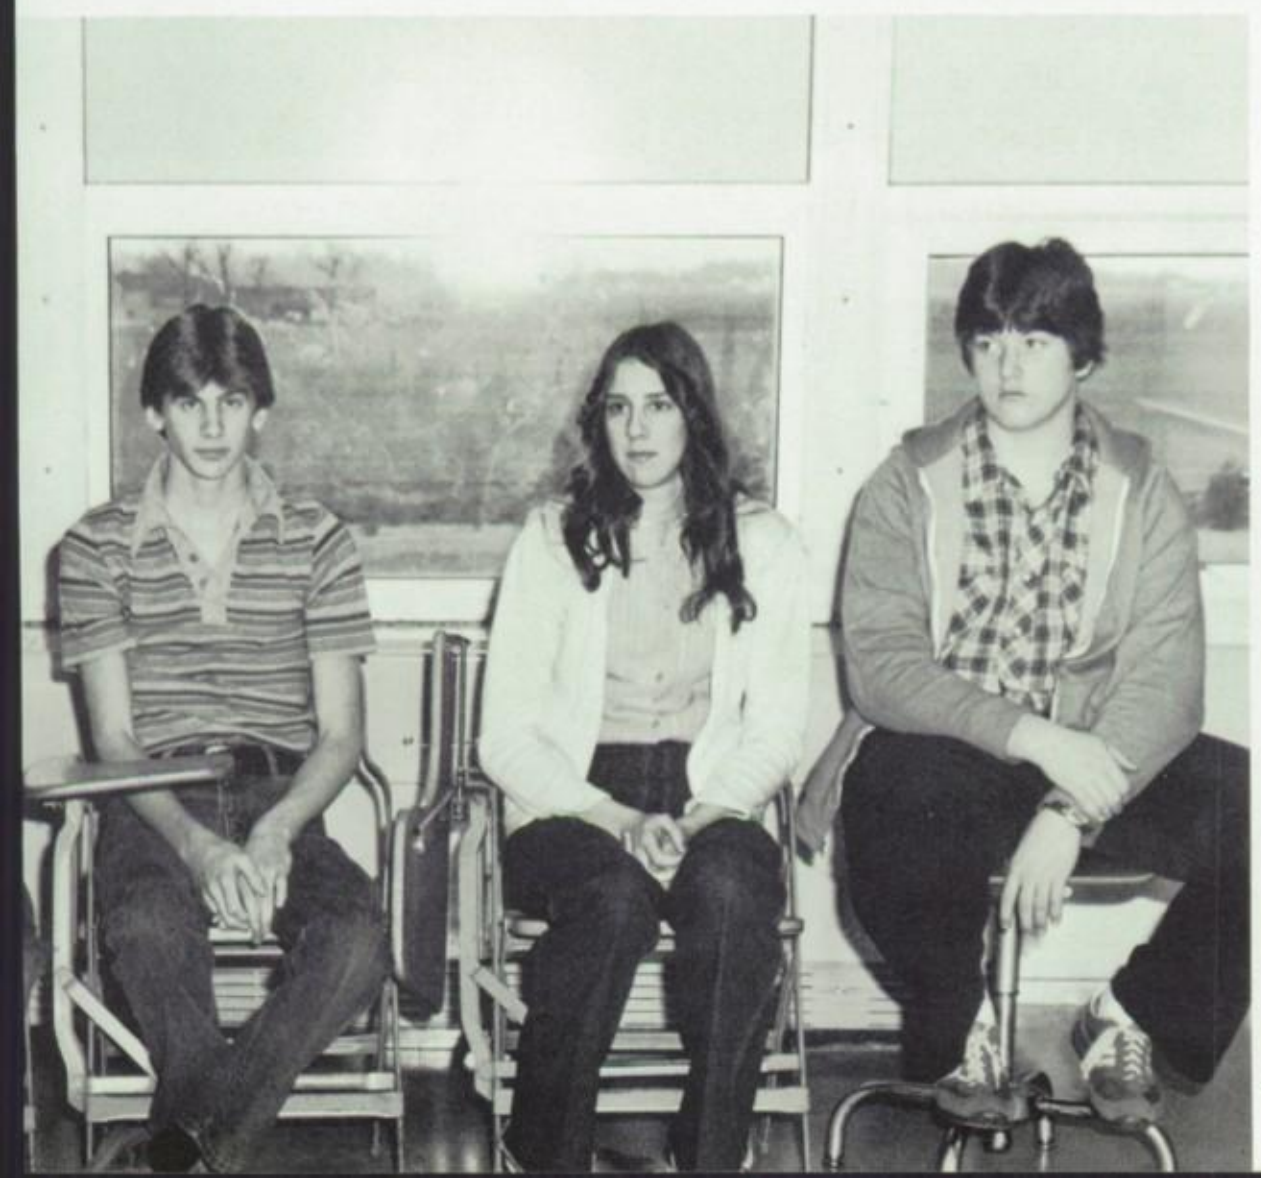
# Micro-Community

c

e



d

The American Government class, which is a requirement to every senior, is designed into a micro-community where the students of each class forms a country. There were four government classes this year: Hazzard, Nari, Retrac, and Zarpond.

At the beginning of the school year, each country selected a Continental Congress to lay out the beginnings of a Constitution. From this a president, vice-president, secretary, treasurer, judge, sheriff, deputies, and new Congress members were selected.

The people of the countries were given money to handle as their own, facing economic problems in the country as they would in the real world. The students learned the process of our American Government through their own simulated countries.

# One Step Closer

As seniors step into their last year of high school they reflect upon the good times that they have had. They remember back to the four years of high school that they have gone through and the many things that they have encountered.

But now, being a senior or eighteen years of age the guys must register for the draft and be prepared to stand by to defend their country. So we hope that nothing will happen to them so that we may all be at our reunion.

Now it is time for us to take one step closer to graduation and to all the good things that it may bring.

## Facing Graduation

Faces of old, faces of new,

People we know and people we knew,

Growing together and then growing apart,

Always an ending and now a new start,

At Graduation we all grow nearer,

And all our friends seem so much dearer,

And as we say our last good-byes,

One last embrace and one more cry,

A "keep in touch" and a "promise I will"

A "remember when" but better still

A place in my heart you will always stay.

This is what's said as we go our own way.

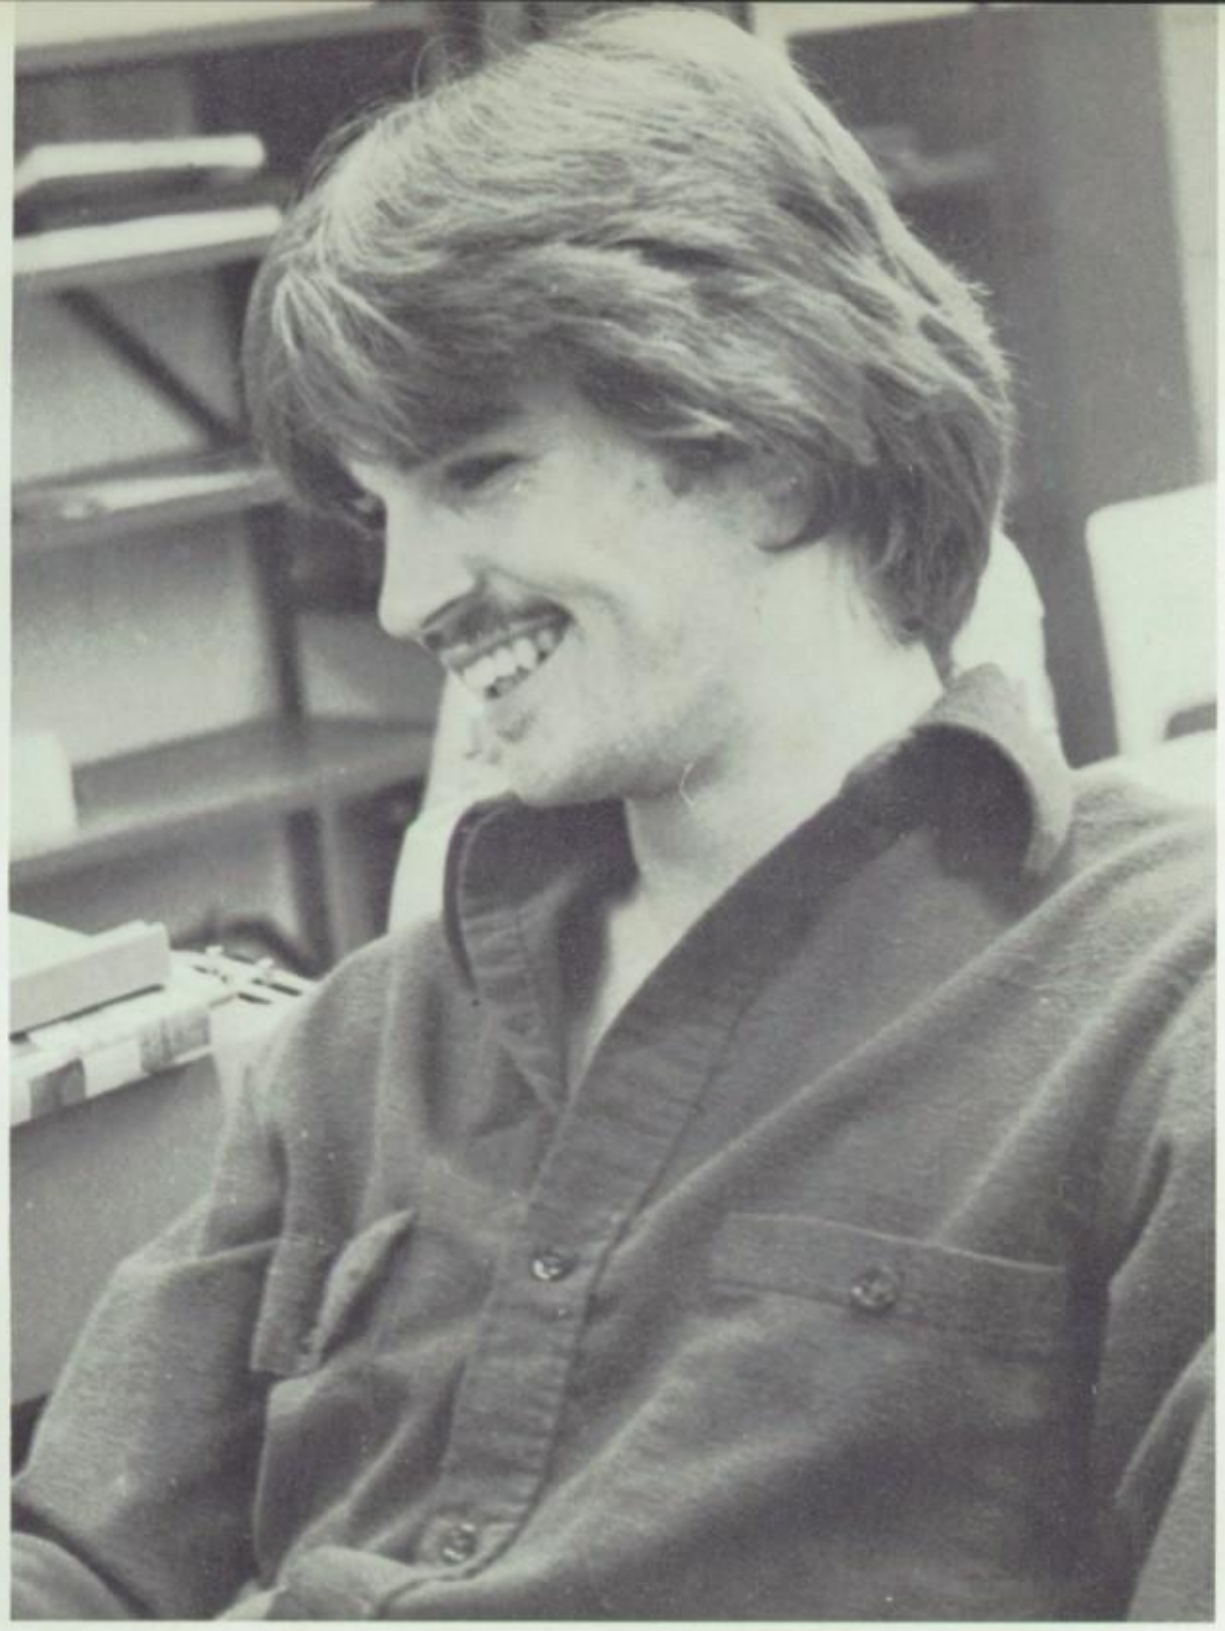
# JUNIORS



After a long day, Tom Sprow sits back and enjoys a few laughs.

# *Juniors*

With just one year remaining, the class of 1982 is eagerly awaiting their last and final year. During our junior year, many of us were faced with new responsibilities and important decisions concerning the future. Some of our choices whether we continue our education after school or get a job.

The biggest activity of our junior year was the Junior-Senior Prom. There were many hours of hard work and planning as we decorated to the theme "Stairway to Heaven."

By working together our class has learned through experience and has proved its ability and potential in the year to come.

# *Sophomores*

Two years down and two to go is what's running through every sophomores mind. They come to school willing to begin a year full of books, teachers, friends, and the other fun things that go along with it.

They have shown their pride and spirit by winning Homecoming week two years in a row and are bound and determined to win another two. They also have many fine athletes who they are very proud of. Pride and respect are shown for the other classes, and the school, but most of all they have pride in themselves.

# Freshmen

Being a freshman is a lot of hard work and new responsibility. You have to try and prove yourself to the upperclassmen and teachers. It's not easy to fit in, but as the year progresses, the upperclassmen learn to respect you for what you are. Your teachers give you the right kind of understanding and guidance to help you through your first year.

The requirements are: science, math, Health and Phys. Ed., and English which are the basis that guide them through their remaining years at Lakota High.

# AMERICA... PASS OR FAIL?

We're facing our greatest test . . . the Energy Test.

**You can help.**

- By learning all you can about the problem.
- By looking at the problem with an open mind, logically, without blind emotion.
- By considering making the technology of energy production your life's work.
- By learning to conserve.

**To Howard Gump for being around and cleaning up our messes that we made and staying here with the bands till the dances started.**
**To June Stevens and Pat Stahl for typing, sacrificing and being very patient with us.**
**To the student body for the spirit you have had at the assemblies and your mature attendance.**
**To the cooks for letting us use the kitchen and the refrigerator when they were needed.**
**To St. Wendelin High School for letting us borrow their silver ball.**
**To the drama club for letting us borrow the spot light.**
**To Mrs. June Foster and Ila Foster for helping us set up for the Homecoming Dance.**
**Thanks to the speaker at our workshop.**
**To all the people we've missed (there were plenty) we heartily thank you for a job well done.**
**To all our members for hard work and dedication through a year of good service and well rounded projects.**
***A special thanks to Mr. Capell for everything that he has done for us.***

# Catch Ya Later!

To the Student Body and LAKHIAN Staff,

Trying to sum up an entire year in a few paragraphs has proved to be our most difficult task.

As in past years, we were not free of the usual problems involving late deadlines and staff apathy towards the close of the year. Each staff member usually put forth maximum effort, but at times the going got tough.

Using our lifestyle, we were able to incorporate country ways into that of high school life.

With the help of our advisor, Mr. Jim Wertz, we were able to use many new techniques throughout the book.

We hope we have given you an entertaining and memorable book. Thanks staff for hanging in there!

See ya' around,
Cam and Becky
